

ASSEMBLYMEMBER JIM COOPER'S HEALTH AND TURKEY DRIVE - 11/24/2015

California Northstate University was invited to serve the community during Assemblymember Jim Cooper's 1st Annual Thanksgiving Health Family and Turkey Drive on November 24, 2015. The event was held at Luther Burbank High School where 1,500 free turkeys were provided to the community. Other free services provided to the community were dental kits, medical checkups, and healthcare enrollment options. CNU's pharmacy students volunteered to give flu vaccinations while the medical students along with the post baccalaureate students performed physical examinations. This holiday season, CNU was honored to help those truly in need.

"Thank you all so much for making this event such a success. Assemblymember Cooper was thrilled with the turnout, and having CNSU students there conducting medical checks and providing flu shots definitely made the event what it was. We really appreciate all of your support and look forward to partnering again in the future!"

-Mikey Hothi, District Director
Assemblymember Jim Cooper, 9th District
