You are Cordially Invited
to a CME/CE Program
Monday, December 1, 2014
Registration: 6:30pm Lecture: 7:00–8:00pm

Chronic HCV Treatment Guidelines:
Best Practices for Achieving a Cure

TARGET AUDIENCE
This course is designed for physicians treating hepatitis patients. Physician assistants, nurse practitioners, registered nurses, and pharmacists are also welcome to participate.

LEARNING OBJECTIVES (CME/CE)
Upon completion of this activity, the participant intends to incorporate the following objectives into their practice of medicine:

- Appropriately select anti-hepatitis C (HCV) regimens in my HCV-infected patients who are candidates for therapy according to the AASLD recommendations
- Utilize strategies to avoid potential resistance associated with antiviral therapy to optimize SVR rates in my HCV-infected patients
- Prescribe management approaches for my HCV patients who develop complications associated with antiviral combination therapy

TO REGISTER
To register for this event, please visit www.simplyspeakinghepatitis.com using the provided event code (an invitation code does not apply). If you have any questions, please contact Joyce Creamer at Practice Point Communications® at (813) 891-6999 or via email at jcreamers@practicepointinc.com.

ACREDITATION AND DESIGNATION STATEMENTS

The University of Nebraska Medical Center College of Nursing Center’s (ANCC) Commission on Accreditation.
Provider approved by the California Board of Registered Nursing, Provider #13699.
This activity is provided for 1.0 contact hours under ANCC criteria or 1.2 contact hours by California Provider for successful completion of this educational activity.
Note: The ANCC accreditation criteria compute 1 contact hour for each 60 minutes of learning activity. California requirements compute 1 contact hour for every 50 minutes of learning activity. Nurses should only claim credit consistent with the actual time they spent attending the learning activity.

Pharmacists (PharmDs/RPhs)
The University of Florida College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (UAN #0012-9999-13-012-L01-P). This activity is accredited for 1 hour of continuing pharmacy education (CPE) credit. The University of Florida College of Pharmacy will report all credit to CPE Monitor within 30 working days after receiving evidence of successful completion of the course. Successful completion means that you must attend the entire program and complete an evaluation form. Note: Effective January 1, 2012 all pharmacists are required to provide their NABP e-Profile ID # and Date of Birth (in MMDD format) for issuance of CE credits. Please go to the following website for full details: http://www.acpe-accredit.org/pharmacists/cpemonitor.asp.

Supported by an independent educational grant from Gilead Sciences Medical Affairs
