CNU College of Medicine Diversity in Medicine Summer Camp, 2022

Join CNU College of Medicine for a week long camp for college undergraduate students interested in pursuing a career in medicine. Students will have a glimpse into the first year of medical school at CNUCOM by progressing through one content block per day of our systems based curriculum, including hands on labs and medical skills activities.

****July 11th through July 15h, 2022****
