

Phase A Teaching Assistant (TA) Elective Application

Purpose:

The purpose of this application is to identify qualified students who demonstrate professionalism, academic readiness, communication skills, and a commitment to peer education. The Teaching Assistant (TA) Elective is designed to provide medical students with structured opportunities to develop and strengthen teaching, facilitation, mentorship, leadership, and professional communication skills within an academic medical environment. Students participating in this elective will assist faculty and staff in supporting Team-Based Learning (TBL), Clinical Case-Based Learning (CCBL), review sessions, curriculum enhancement activities, and other educational initiatives.
