

GRADING

I. **Policy Statement**

This document defines the grading policy and recording of grades on the transcript for the College of Medicine.

II. **Purpose**

The purpose of this policy is to define the grading convention of the California Northstate University College of Medicine (CNUCOM).

III. **Scope/Coverage**

This policy applies to all students enrolled in the degree of Doctor of Medicine (MD) program at the College of Medicine (COM).

IV. **Policy Procedure**

a. **Grading System**

The work of all students in any of the required courses for the MD degree is reported with one of the following grades: Pass with Honors (H), High Pass (HP), Pass (P) or Fail (F), Incomplete but work of passing quality (I), or Provisional, requiring remediation (Y).

i. **Grades in Phases**

1. The grades of H, HP, P, F, I, and Y apply to courses in Phase A and required clerkships in Phase B.
2. The grades of P, F, I and Y apply to courses/electives in Phase B and longitudinal courses in Phase A such as:
 - a. *The Colloquium*
 - b. *Medical Skills*
 - c. *Self-Directed Student Scholarly Project.*

ii. **Incomplete (I)**

The grade of Incomplete (I) is a temporary grade and is assigned only when the student's work is of passing quality, but is incomplete for good cause,

as determined by the Course/Clerkship Director. The I grade may be replaced with a P, HP, H or F grade.

iii. Remediation (Y)

If course requirements have not been successfully completed and the student requires remediation, then a Y grade is recorded. Students remediating a Y grade are not eligible for Honors (H) or High Pass (HP). Successful remediation of a Y grade will result in a transcript recording of Y/P. An F grade will remain as a permanent grade recording on the transcript.

1. Students may refer to the [University General Catalog](#) for the grading convention.
 - a. **Please see Appeal Policy (4110) for more information.*

b. Grade Reporting on the Transcript

California Northstae University College of Medicine (CNSUCOM) follows the guidelines on grade reporting set forth by the Association of American Medical Colleges (AAMC). The guiding principle is an academic transcript is defined as a certified document that represents an unabridged summary of a student's academic history at an educational institution and is intended for use within an institution and by parties external to the institution. It is distinguished from the larger body of information which may be contained in the student record at the institution. All student education records are protected under the Family Educational Rights and Privacy Act (FERPA).

i. Grades on Official Transcript

Grades will be reported on the Official Transcript as follows:

1. Honors (H), High Pass (HP) and Pass (P) will be recorded as a letter grade.
2. A grade of Incomplete (I) will be recorded as an "I" and is considered a temporary grade. With permission of the Course/Clerkship Director, an Incomplete grade will be recorded for a student who has not completed a required component of the course by the course end date. A designation of Incomplete will not be used as a placeholder grade when the student's performance in the course has been unsatisfactory, and remediation is required. A student is expected to complete the incomplete work within six weeks of

the end of the course/clerkship. See section D on page 3 for exceptions to this rule.

3. Possible grades that will be reported on the transcript:
 - a. *H (Honors)*
 - b. *HP (High Pass)*
 - c. *P (Pass)*
 - d. *F (Fail)*
 - e. *I (Incomplete)*
 - f. *Y (Remediation)*
 - g. *Y/P (Pass After Remediation)*
 - h. *F/P (Pass After Fail)*
4. A remediation grade (Y) or fail (F) will be recorded for a course in which a student has not demonstrated mastery of the course requirements outlined in the course syllabus. Y and F grades are permanent grades, and they will not be removed or replaced on the transcript after the course has been remediated or repeated, even if the passing grade is accompanied by a special notation. The practice of removing or replacing grades on the academic is inconsistent with the representation of an unabridged record.
5. The Course/Clerkship Director will assign a course grade within six (6) weeks of the end of the course.
6. The grade of HP appears beginning in the fall semester of 2021 for current and new Phase A students. Prior to the fall of 2021, HP was not an available grade for Phase A students. For the M2 class in fall 2021, their M1 year would not be eligible for the HP designation of a grade in any Phase A course.

ii. Narrative Grades

Course grades for Master's Colloquium, Medical Skills, and all M3 Clerkships include a narrative grade.

iii. Exception to Provisional Marks of Incomplete and Remediation

When extenuating circumstances occur beyond a student's control, such as medical issues or family emergencies that extend beyond the six (6) weeks' time limit for an incomplete (I) grade, the student may request an extension from the Course/Clerkship Director. Any incomplete work must

be completed prior to the start of the next academic year. If not, the I grade will be changed and recorded as an F.

*Reviewed by FEC (Faculty Executive Committee)
REVIEW: Every three years (or more often if required)*
