ADVANCE IN MEDICINE SUMMER CAMP 2025

JULY 14, 2025 – JULY 18, 2025

9700 W Taron Dr, Elk Grove, CA 95757

Join CNU College of Medicine for a week-long camp for high school and college undergraduate students interested in pursuing a career in healthcare. Our mission is to uplift and empower future generations of healthcare professionals while emphasizing the importance of diversity.

Camp attendees will get a glimpse into medical education through hands-on labs, interactive workshops, and meaningful discussions with current professional students.

The camp is fully expensed and no prior experience is required to apply. We are seeking passionate, enthusiastic learners who wish to explore the field of medicine and opportunities within healthcare.
